Automatic Monthly EFT Authorization

I hereby authorize Conservice Energy to set up automatic monthly EFT payments, in which they will initiate a debit entry to my Checking or Savings Account each month for the amount due on my Conservice Energy account. No service fee will be charged for monthly EFT payments. Customer acknowledges that a minimum Non-Sufficient Funds (NSF) fee of \$35 may be charged by Conservice Energy to the Customer in the event there are insufficient funds in Customer's account at the time the EFT is submitted, pursuant to the Conservice Energy Terms of Service. The amount of the NSF fee is administered in accordance with applicable state and federal law. I acknowledge that the origination of ACH transactions to my account must comply with the provisions of U.S. law. This authorization will remain in full force and effect until Conservice Energy receives notification from me of its termination in such time and in such manner to afford Conservice Energy and my financial institution a reasonable opportunity to act on it or until there have been two (2) instances of insufficient funds, at which time Conservice may cancel this agreement and restore the original rate. I understand that in order to have my automatic payments cancelled before my next due date, notification must be given to Conservice Energy no later than 3 business days before my next due date. If you are signed up for automatic payments and would not like a payment to be withdrawn from your bank account this month, you must either cancel your enrollment or make a one-time payment three business days prior to the due date. If your bank account information needs updating, this also must be done three business days before the due date. In the event that I terminate my Conservice Energy account, this service will automatically be terminated.
